## Eleventh Asian Cartoon Exhibition: Asian Youth Culture Exhibition and Open Discussion

To further stimulate and deepen understanding of societies and cultures of Asian countries, the Japan Foundation holds an annual Asian Cartoon Exhibition in Tokyo and in Asian cities. This year, 10 leading cartoonists from 10 countries have produced a total of 77 new works depicting youth culture in the respective nations to promote awareness of Asian commonalities and diversity. The works will be exhibited at the O Art Museum from October 27 to November 8, 2006.

After the exhibition in Tokyo, the showcase will tour Japan and Asian cities.
