

## Exhibitions Abroad Support Program Application Instructions

---

### 1. Program Description

This program is designed to provide financial assistance for overseas museums and art institutions to help them organize exhibitions introducing Japanese art and culture to audiences overseas, in order to deepen the understanding of Japanese art and culture. In addition, this program is designed to provide financial assistance for overseas international exhibitions such as biennials/triennials introducing Japanese artists and their works.

### 2. Applicant Eligibility

(1) Applicants must fulfill the following requirements:

- a. Overseas museums and art institutions (i.e., those located outside of Japan).
- b. Applicants must have the capabilities necessary for implementing the planned project(s).
- c. The receipt of grants or support from the Japan Foundation must not violate any laws, regulations, or ordinances.
- d. Applicants should have bank accounts in the name of the organization to which the grants by the Japan Foundation can be remitted, or should be able to open such accounts by the time the grants are remitted.

(2) The Japan Foundation does not provide grants for:

- a. The State (Japanese national government organs), local governments, incorporated administrative agencies, local incorporated administrative agencies (hereinafter referred to as "the State, etc.")
- b. Organizations and facilities belonging to the State, etc. such as educational or research institutes established by the State, etc. (excluding organizations with their own legal personalities such as incorporated associations or incorporated foundations, even if the State etc. are involved in their establishment)
- c. Foreign governments (including their administrative organs and their embassies and consulates-generals, but excluding educational, research, or cultural institutes such as universities and museums); and
- d. International organizations to which the Japanese government makes a financial contribution.

(3) **Points to be noted:**

- Applications from individuals will not be accepted.
- If the exhibition tours to more than one venue, the host institution should consolidate the grant requests and only one application should be submitted for the whole project. The Japan Foundation will not accept multiple applications for one project.
- For organizations that have continually received support from the same program for the past three fiscal years, unless the Japan Foundation believes there is a compelling reason for them to continue receiving such support, our policy is not to provide grants for the fourth fiscal year. This is a measure to avoid giving ongoing support to the same applicants, and to distribute grants to as many applicants as possible. It is possible to apply for the same program for a fourth consecutive fiscal year, but please be aware that the Japan Foundation places a lower priority on such applications.
- As for Taiwan-based museums or art institutions considering application, please contact Japan-Taiwan Exchange Association, Taipei Office, with which the Japan Foundation cooperates.
- The Japan Foundation and its overseas offices will not duplicate funding for the same project.
- The recipient must meet the terms and conditions described in the "Terms and Conditions of the Grant" and take the necessary procedures described in the "Grant Procedures."

### 3. Eligible Projects

The grant is provided for exhibitions that will open during FY2019 (between April 1, 2019, and March 31, 2020) under the condition that plans and methods for implementing the project are appropriate and that there is sufficient expectation that the project will yield positive results. Eligible projects are exhibitions that will:

- (1) Introduce Japanese art and culture, planned and executed by foreign museums or art institutions abroad; or
- (2) Introduce Japanese artists and works in the framework of international art exhibitions such as biennials and triennials; or
