How to use “My Library”

*Available for use after the next day of the registration

1. Click **Login** or **My Library** at the Japan Foundation Library Online Catalogue (OPAC) page https://lib-opac.jpf.go.jp/drupal/en

2. Input your “**User ID**” and “**Password**” provided by the JF Library and click **Login**.
3. The page shown after logging in. Click [your name] at the right side of the page.

4. Through this page, you can change your password, renew books on loan, and receive notice of new titles sorted by your registered keywords and so on.
Case 1: How to renew books on loan
Click Title list shown under the “Materials on loan”. Then, push the Renew button.

Case 2: How to reserve materials
Search books through Search Window after logging in. Then, click the Reserve button.

☆☆☆ Please ask library staff if you lost your password ☆☆☆
