# How the online Japanese classes are conducted

## What is the IRODORI Japanese Online Course?

You can learn the Japanese language you need for daily life in Japan using videos as well as plenty of illustrations and audios.

The course is full of practice contents, so you can train on areas where you want to practice more or gain more confidence.

<https://www.irodori-online.jpf.go.jp/>

[Language of Explanation]

Japanese, English, Chinese, Indonesian, Khmer, Mongolian, Myanmar, Nepali, Thai, Vietnamese
