Minato is a platform that offers a place to learn and meet new friends. You can learn by choosing the course that suits your level, from six levels based on the JF Standard for Japanese-Language Education (JFS).

- You can learn Japanese through an online course.
- Participants of the same course can communicate on a thread.
- In the community, you can interact with friends all over the world.
- You can also learn through courses that offer live lessons.
- Please register (it's free)
