

JFIPP Research Fellowship for Fiscal 2024 (Form B) Project Statement Form

Applicant full name:

Project Statement (5-pages maximum)

Please provide the following information. You have to cover all five points in order for your application to be given full consideration:

- a. Purpose and significance of the project
- b. Originality of the project, compared with existing research/work
- c. Methodology, plan, and names of partners/collaborators
- d. Expected results from the project and further prospects in the future; In particular, potential impact on the field
- e. Plans for dissemination (e.g., publications, presentations at conferences, etc.)

Reminder: Fellows are expected to submit a policy recommendation or vision statement in the Final Report for the fellowship that can be made available by the Japan Foundation to a wider public audience.
